

## Programme eEANO Webinars 2020

### **I. EANO webinar on Cancer Neuroscience: on neurons, glioma and the immune system, September 9, 2020 16:00-17:30 (CEST)**

Chairs: *Simone Niclou, Luxembourg/LU Manuel Valiente, Madrid/ES*

- Intersections between neuroscience and glioma biology, *Frank Winkler, Heidelberg/DE*
- Cross-talk of brain metastases with neurons, *Douglas Hanahan, Lausanne/CH*
- The Neuron-Immune-glioma axis, *David Gutmann, Washington/US*

### **II. EANO webinar on Brain metastatic disease in the targeted era: improved outcome by changed strategies, September 10, 2020 16:00-17:30 (CEST)**

Chairs: *Matthias Preusser, Vienna/AT, Riccardo Soffietti, Turin/IT*

- Time to start with targeted therapies alone? *Evangelia Razis, Athens/GR*
- The promise of combined targeted therapies or immunotherapy with radiosurgery, *Frederic Dhermain, Villejuif/FR*
- A changing role of neurosurgery? *Jörg Tonn, Munich/DE*

### **III. Joint EANO-EAN Webinar on Neurotoxicity from antineoplastic treatments, September 11, 2020 16:00-17:30 (CEST)**

Chairs: *Anthony Chalmers, Glasgow/UK, Martin van den Bent, Rotterdam/NL*

- Mechanisms of brain damage by radiation and chemotherapy, *Michelle Monje, Stanford/US*
- Neurological complications of novel anti-neoplastic drugs and immunotherapy, *Jörg Dietrich, Harvard/US*
- FLASH radiotherapy: can a new technology minimize brain damage? *Marie-Catherine Vozenin, Lausanne/CH*

### **EANO webinar on Psycho-social support interventions for patients and caregivers, September 23, 2020 16:00-17:30 (CEST)**

Chairs: *Florien Boele, Leeds/UK, Karin Piil, Copenhagen/DK*

- Psychosocial support intervention for patients and caregivers, *Tamara Ownsworth, Brisbane/AU*
- Neuro-Oncology Caregiver Support: Strategies for expanding your care to include the caregiver, *Margaretta Page, San Francisco/US*
- Qualities in interpersonal relations that matter to malignant brain tumor patients and informal caregivers, *Marie Dahlberg, Stockholm/SE*

### **EANO webinar Tumorboard 1, October 7, 2020 16:00-17:30 (CEST) (NO CME!)**

- Case 1: How to treat an elderly patient with glioblastoma, *Anna Berghoff, Vienna/AT*
- Case 2: Lower grade glioma, *Marjolein Geurts, Rotterdam/NL*

Expert panel:

Neurology: *Martin van den Bent, Rotterdam/NL*

Neuropathology: *Felix Sahm, Heidelberg/DE*

Neurosurgery: *Asgeir Jakola, Gothenburg/SE*

Radiology: *Julia Furtner, Vienna/AT*

Radio-Oncology: *Stephanie Combs, Munich/DE*

**EANO webinar on Outcome assessments section, October 21, 2020 16:00-17:30 (CEST)**

Chairs: *Florien Boele, Leeds/UK, Karin Piil, Copenhagen/DK*

- Patient-reported outcomes, *Linda Dirven, Leiden/NL*

- Clinician-reported outcomes, *Michael Jenkinson, Liverpool/UK*

- Performance outcomes, *Sanne Schagen, Amsterdam/NL*
