

Overview

We are pleased to welcome you to our 5th Neuro Oncology Conference, 'Managing Brain Metastases in the 21st Century'.

The event provides a unique opportunity to all healthcare professionals involved in the challenges of caring for patients with Brain Metastases, in particular, clinicians, senior nurses and therapy radiographers.

Guided by the knowledge and expertise of our guest speakers, we will discuss the use of local targeted and systemic treatments available for patients with brain metastases.

We look forward to you joining us.

Nicola Rosenfelder, Consultant Clinical Oncologist in Neuro-oncology

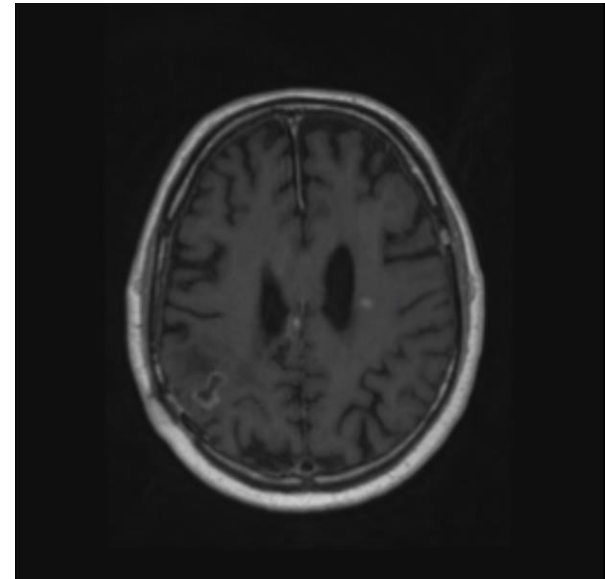

Francesca Solda, Associate Specialist in Neuro-Oncology
